<p style="text-align: center;">Manuals</p>	<p>Revised By: MDaskis Approved By: NRoss Reason for Revision: New</p>

Equipment manuals must be available. They are used to develop preventive maintenance schedule and training of users. It is a good idea to photocopy the original and store in a safe place and use the copy out on the HUB floor. Keep a list of the manuals. This record can be added to HUB.E.REC.36 List Of Equipment and Machines in Hub and Qualified Users.
